Mr.Will it Whilmire, of Arkton, Rockling, ham Co. Va., writes "Our son contracted a deep cold about the first of July, 150,, and had a derrible cough. We called a doctor and he pronounced it irrutation of the broughlat tubes, with asthmatic trouble, and he informed me that my son was table to die al any time. He told me that il we could keep the broughlat tubes open, he might cure him, but after treating him several weeks and my son growing worse all the time. I concluded to try Dr. Tierva'n Golden Medical Discovery and "Fleasant Pellets". I had seen several almost miraculous cures brought about by the use of these undictines, and of course I had wonderful faith in them. He used three bottles of Golden Medical Discovery is home and one viat of the 'Pelleta,' and was then well enough to go to West Virginia, taking a supply with him. I am just the receipt of a letter from him from which I quote: 'I am well and hardy and getting very fleshy.'"
